Dawn Barbrook

Localised information:

First aid kits and records are located in the Medical Room in the Y4 teaching area. This room is locked with a key-code lock. First Aiders have the code to access the medical room.

Additional first aid kits are available in the Y5/6 area and in Reception/Nursery classrooms. MDSAs have access to a first aid kit at lunchtimes when outside.

In the event of an injury, a first-aider is called, appropriate action taken and recorded. Details of all incidents and actions are kept in the medical room.
