

Summer term in Year 1

Pineapple Class - Apricot Class

Welcome back! We are so excited for our final term in Year 1. We have lots of lovely things planned this term.

As always, please contact us via Class Dojo or at the classroom door with any questions and we will do our best to help.

English

In English, we will continue focusing on using the correct punctuation when writing sentences. We will spend some time looking at writing for different purposes including writing a poem to perform. Our first text this term is 'Farmer Duck' which the children have been loving so far!

Maths

In maths we are starting to learn about multiplication and division by focusing on grouping amounts. We have started learning 'rolling numbers' songs which the children are enjoying to help them chant the multiples of 2, 5 and 10.

Topic

Our main topic this term is called 'School Days. In this topic, we will learn about the Victorian Era including learning about Victorian schools and Victorian artefacts.

PE

Our PE days are as follows:

Pineapple Class: Tuesday and Thursday

Apricot Class: Tuesday and Thursday

As we are now in the summer term, most PE lessons will take place outside, therefore named trainers **must** be in PE kits. Hair **must** be tied back and earrings **must** be removed to ensure the safety of your child.

Other

- **Please ensure all uniform is named so it can be returned easily if misplaced**
- As the weather is starting to become brighter, please send sun hats and full water bottles. If children need sun cream, please apply this before the school day.
- Please inform class teachers (or phone the school office) if your child is being collected by somebody different. If we do not know that someone else is collecting, sending your child home may be delayed whilst we contact a named parent/carer to check.
- We encourage all children to enjoy reading a wide variety of books at home, and any reading they do can be recorded in their reading record. However, please ensure that your child prioritises their school reading book. These books are carefully selected to match each child's individual reading level and are essential in supporting their progress and development. Thank you for your continued support in fostering a love of reading at home.

Thank you for your continued support
